

PROGRAMS

COMPUTER APPLICATIONS: OFFICE ADMINISTRATION - AS

Associate in Science in Office Administration

The Associate in Science in Office Administration is designed to prepare students to work in an office environment using computers and software packages. The program also prepares students to work in various levels of an office support professional such as an office assistant, business information worker, and executive secretary.

Program Learning Outcomes

- Students will gain skills needed to work in an office environment.

To earn this degree, students must meet the following requirements:

1. Completion of 60 degree applicable units with an overall GPA of 2.0.
2. Completion of a minimum of 18 semester units in the major with a grade of C (or P) or better.
3. Completion of the AS Graduation Requirements, CSU GE-B or IGETC

Please note not all classes are offered each semester. For sections with honors courses, select either the honors version **or** the non-honors version

Required Core Courses:
